

## I want to go home

I want to go home but I don't know  
where home is.

I don't have one now,  
and it's something I miss

Forcibly moved from place to place  
Hoping to find somewhere safe

Yet it hasn't clicked,  
no house built on bricks  
Has made me feel at home

And I'm decomposing  
Seems like every chance I get the  
monster in my head opposes  
To the option of fulfilment  
Of the chance to be me

Because through this all  
I'm just trying to find  
If I can find some walls  
That I feel safe behind
